NB: Registration fee is mandatory (unless exempted to pay) for every learner who enrolls for our after-care programme and monthly fee thereafter. Transport can be arranged with the school administrator to pick up a learner from school to our premises where teachers will assist with homework, guide the learner on the subjects as well as assist with exam preparations during exam times. We give extra lessons where necessary to support the learner given materials and workbooks that the learner is using at school, therefore it is entirely up-to the learner to be promoted to the next grade. Kiddies Town ECD & Academy and its team hereby wish the best of luck to all the learners enrolled for a current academic year.

- One meal (which may include fruits snack) will be provided to our learners after school.
